

Corporate Gift Guide

Don't let the 'stuff' weigh your people down.

It slows them down, narrows their view.
And it makes 'no' more common than 'yes'.

But it doesn't need to be that way.

Bellroy aims to make life easier, smarter and more seamless. With slim silhouettes, clever storage and minimalist aesthetics. So you and your team can master the everyday and focus on the opportunities ahead.

About Bellroy

Since 2010

The year Bellroy began, around a kitchen table in Bells Beach (where our design lab still lives).

Bell+Roy

Our team is split across two locations: Bells Beach and Fitzroy. A regular work day involves an 11am surf check for the Bells team, and a 3pm caffeine hit for our Fitzroy HQ. Obviously.

Premium LWG leather

Our premium, environmentally certified leathers come from gold-rated Leather Working Group tanneries. In other words, leather that's as good as we can get, and as good for the environment as it can be.

Proudly B-Corp

We're proud to be a B Corp – companies using business to help solve social and environmental problems – from limiting our impact on the environment, campaigning for animal welfare and donating to effective charities.

Made to last the journey

Made to last the journey
Our products are backed by a 3 year warranty. And with a 0.6% product return rate, we're sure our products are used and loved for a really long time.

Friends with Google

We've collaborated with some great brands such as Barneys New York, Field Notes and Cathay Pacific. And feel privileged to be part of the made for Google program.

It takes a village

Our online community is 320,000 followers strong. We can also count the real life Hodor as a fan. (The evidence is on Twitter)

What's next?

If you're looking for some engaging ways to stoke your clients or staff, let our team tailor a solution that suits your business. Thanks for your time.
